New Business:

- The website member directory was discussed. Catherine noted that personal information is not permitted per the National organization. A formal request needs to be made to National for any personal information requested (i.e., phone number, address, etc.). It was suggested that personal information on the website be limited to: member name, title, and company.
- RediMix requested information on how to join NAWIC. Sara stated that they could reach out to anyone on the board, or Sara would be in contact with RediMix for further conversations.

- Sarah Q. noted that Harvey will have an upcoming OSHA 30 training and asked if a few BOD members would like to join. Harvey would sponsor this. More details to come.

12:20 pm Lunch & Learn by RediMix Companies.

1:00 pm Meeting Close

Thank you all for attending! Please reach out to any member of NAWIC if you would love to join, as we have some new faces here today. 😊
